Arrangements for the Business Men's banquet are being rapidly perfected. The place chosen will probably be the armory, tickets being sold at two dollars. The banquet will be an elaborate one, nothing being spared to make it complete. Later in the evening will come a dance, to the best music that can be secured.

The Gazette is under obligations to Mr. Alva Russell for copies of the Sioux City holiday papers. The enterprise displayed by the publishers and business men of that thriving city is highly commendable and could be well imitated at home. What Janesville needs is thorough advertising as a city. A little money put in this direction would produce most satisfactory results.

The supreme court has affirmed the decision of the circuit court in the case of Addy against the city—the judgment being \$900 and costs. Charles E. Pierce appeared for the city, while Wilson Lane and Ogden H. Futhers were for Mrs. Addy. The case of the state against Witham was also affirmed. Henry C. Smith and Wm. Smith argued the case for the state, and G. Sutherland for defendant. This last was on charge of neglect to support his family.

Badger Council No. 223, Royal Arcanum, assemble in regular semi-monthly meeting this evening—Lodge room in the Lappin block, East Milwaukee street.

The report started by the Des Moines (Iowa) Leader, that negotiations were pending in that city for the removal of the Janesville (Wisconsin) cotton factories to that city, proves to be without foundation. Des Moines people are trying to secure the removal of the Janesville (Michigan) factories, by offering a bonus of \$20,000.

THE WEATHER.

J. A. Canniff & Co. have taken a lease of the brick building on North First street, in the rear of the Odd Fellows building, and on Monday next will commence the manufacture of all kinds of first class brooms. Mr. J. A. Canniff has just been to Chicago, where he purchased machinery and stock. The firm will not depend on the local retail trade, but will export the whole sale market. They will start their factory with four or five hands next week, but will soon increase the number, by being their intention to push their business for all their in it. The firm is composed of hard working men and the Gazette wishes them complete success.

THE WEATHER.

At seven o'clock this morning the thermometer indicated 16 degrees below zero. Clear with west wind. At one o'clock p. m. the register was 0. Clear with west wind. For corresponding hours one year ago the register was 2 degrees below and 29 degrees above zero.

OAK HILL CEMETERY.

Annual Meeting of the Stockholders and the Election of Officers.

Other Matters Connected with the Cemetery of Public Interest.

The annual meeting of the stockholders of the Oak Hill Cemetery Association was held last evening at the office of the secretary in the Smith & Jackson block. The attendance of members was quite large, and much interest was taken in the selection of trustees.

W. P. Vankirk was chosen chairman of the meeting, and Dr. L. J. Barrows secretary.

The report of the board of trustees was read and adopted.

The report shows the receipts of the association for the year 1882, to be \$2016.70, balance on hand January 1882, \$90.10. During the same time the disbursements were \$1,633.61. Cash on hand \$773.19. During the past year there have been ninety-six interments in the cemetery, against one hundred and thirty for the previous year.

The trustees say: "At a meeting of the board held April 23rd last, a committee was appointed to revise the price of the lots. Said committee, after making a thorough personal examination of all the unsold lots, reported at a meeting of the board held July 6th last, on the cemetery grounds, an amended price list. The board made a careful survey of the premises in question and unanimously adopted said report. The prices of lots now range from fifteen to seventy-five dollars a lot.

The stockholders then elected three trustees for three years in place of Dr. L. J. Barrows, J. J. P. Passo and S. L. James, whose terms expired. The election resulted in the choice of Dr. L. J. Barrows, J. J. P. Passo and D. R. Smith.

The meeting then adjourned.

Immediately after the adjournment of the stockholders' meeting the trustees held their annual meeting; there were present all members except J. J. P. Passo and D. R. Smith.

At this meeting the following officers were elected for the ensuing year: President—Volney Atwood. Secretary—Dr. L. J. Barrows. Treasurer—S. C. Burdick.

The treasurer gave bonds in the sum of \$2,000.

No other business of public interest was transacted.

REASONABLE JOTTINGS.

Gentlemen's straw hats are made in many very "fashionable" shapes.

Lawn parties have grown to be quite the thing in home entertainment. Ice cream is now packed in fancy half gallon tins for the benefit of pensioners. Lawn tennis bids fair to soon surpass in popularity even progressive euche. Novelties in sun umbrellas are being much sought.

Something very neat and convenient is a rubber bag to be filled with pounded ice and carried in the hat as a protection against snobbery.

Gentlemen ought to open much time in the open air, exposed to the heat of a Wisconsin winter, will appreciate the seersucker trousers that eastern clothiers are now turning out.

White linen coats are much liked.
